

Outback Experience Sunrise Wildlife Safari Itinerary

Tour Itinerary

Enjoy early morning at the Mareeba Wetlands when the wildlife is active with a guided tour of the best Reserve Woodlands and Wetlands habitats. .

Starting at 7.00am, our guide will drive you in our open wildlife-viewing 4wd on a wildlife safari through the Reserve, stopping at habitat sites for bird and animal spotting on the way to Pandanus Lagoon. The early morning is the best time for spotting wildlife.

After spending time at the lagoon, to observe the usually plentiful waterbirds and waders and exploring the surrounding savanna in search of kangaroos and other wildlife, we return to Clancy's Lagoon Interpretive Centre for morning tea on the deck.
